

Most Holy Redeemer CATHOLIC SCHOOL

Dear Family:

Thank you for giving the gift of a Catholic education to your child. The gift of Catholic education will be with your child for life, instilling a love of Christ into their hearts and memories that will shape their future.

HRS School Advisory Council announces HRS tuition. The Council has worked hard to budget tuition costs and there will be \$100 tuition increase for this year. It's important to realize that at HRS we offer one of the lowest tuition rates for our families when compared to other private schools in Minnesota. ***Please also remember that scholarships and financial assistance is available to all families, K-8.*** For scholarship consideration, please apply by the April 15 deadline. The application is a one page form and available in the office or online at www.mosthrs.org under "Admissions."

***If we receive your registration before April 15th your name will go into a drawing to win a \$25 Scrip gift card.**

Scrip program percentage increased to benefit families. We thank our families for supporting our top fundraisers. Scrip is not only a fundraiser, but a tuition reduction program. Again this year, you will receive 60% of the profit for every Scrip card purchase. This comes directly off of your tuition bill twice a year. In addition, grade levels are responsible for various fundraisers and your support at the event of your oldest child is critical to our success. I thank you for helping to plan and volunteer for these events.

Most Holy Redeemer Catholic School is proud of our rich Catholic education and our new programs. Our upgraded technology center, laptops for our middle school, and Smart Board instruction ensures that HRS is ahead of current technological advances. We are a completely wireless school and integrate technology into learning to enrich and engage each child's educational experience. Students in 3-8th grade have Google accounts for sharing information with teachers and students, which are becoming a part of the ever-changing online medium. In addition to technology, the new STEM/STREAM – science, math focus and academic challenges through Sumdog, Religion, Spelling Bee, Geography Bee, and the HRS Science Fair truly highlight our focus for academic prowess.

What goals will be achieved in 2020-2021

- Update/facelift of classrooms and library.
- Updated Advanced Math curriculum for 5-8
- Updated Health curriculum for 5-8

I am very blessed to represent the students and staff of Most Holy Redeemer Catholic School for my sixth year. I look forward to continuing to partner with you in the 2020-2021 academic year.

YOU ARE A BLESSING!

Blessings, George J. Vondracek, HRS Principal

TOTAL COST TO EDUCATE HRS STUDENTS: \$6,169

The cost of educating each student at Holy Redeemer School is approximately \$6200 for the 2019-20 academic year. Tuition and fundraisers cover only a portion (about 60%) of this amount. Parish and Archdiocesan subsidies and grants make up the difference. Your participation is a critical component to the success of our school. Thank you for your time, talent and treasure.

Most Holy Redeemer Tuition Policies

Why Tuition? Tuition is critical to our school as mentioned before, the actual cost of educating a child at HRS is \$6,200 for the past academic year. Thanks to parish support and school fundraisers, we can offer tuition to our families at a reduced rate.

Registration Fee: A \$50.00 per student, non-refundable registration fee must be submitted with your child’s registration to ensure their spot for the new academic year.

Payment Method: HRS Advisory Board has made the decision to use TADS (Tuition-Aid Data Services) to help with school billing. TADS is a tuition management system that is tied in with the Cornerstone/Educate account you are able to use to view your child’s grades, homework assignments, etc. TADS helps the school streamline the tuition process and allows you, the parent, the ability to see your account information online. You will be required to make your payments to HRS online through TADS. Within the agreement you will find your fees itemized as well as credit that you receive. The majority of the school fees are covered in the tuition cost. There may be additional fees throughout the year as they come up. (i.e. field trips, sports fees, yearbook, etc.)

The link to TADS is www.tads.com, you will need to complete the online enrollment process. When you open the website, it should take you to the TADS “login” page. If you have any trouble, you may contact the school at 507-364-7383 or the TADS Parent Help Line at 800-477-8237. (The TADS Management system is also lunch & snack fees as well as a site where parents can monitor student academic records).

Early Discount Tuition Payment: If a full tuition payment is made by September 1, 2020, parents will receive 3% off of their tuition. This is for grades K-8.
