

Dear Family:

Thank you for giving the gift of a Catholic education to your child. The gift of Catholic education will be with your child for life, instilling a love of Christ into their hearts and memories that will shape their future.

MHRS School Advisory Council announces no tuition increase. The Council has worked hard to budget tuition costs and there will be no tuition increase for this year. It's important to realize that at MHRS we offer one of the lowest tuition rates for our families when compared to other private schools in Minnesota. *Please also remember that scholarships and financial assistance is available to all families, K-8.* For scholarship consideration, please apply by the August 1 deadline. The application is a one page form and available in the office or online at www.mosthrs.org under "Admissions."

Scrip program percentage increased to benefit families. We thank our families for supporting our top fundraisers. Scrip is not only a fundraiser, but a tuition reduction program. Again this year, you will receive 60% of the profit for every Scrip card purchase. This comes directly off of your tuition bill twice a year. In addition, grade levels are responsible for various fundraisers and your support at the event of your oldest child is critical to our success. I thank you for helping to plan and volunteer for these events.

Most Holy Redeemer Catholic School is proud of our rich Catholic education and our new programs. Our upgraded technology platform for all K-8 students, ensures that MHRS is current with technological advances. We are a completely wireless school and integrate technology into learning to enrich and engage each child's educational experience. Students in 3-8 th grade have Google accounts for sharing information with teachers and students, which are becoming a part of the ever-changing online medium. In addition to technology, the new STEM/STREAM – science, math focus and academic challenges through IXL, MobyMax, Religion, Spelling Bee, Geography Bee, and the MHRS "Big Bang" Science Fair truly highlight our focus for academic prowess.

What goals will be achieved in 2021-2022

- Update/facelift of school cafeteria.
- Major change/improvement to the School's Office.
- Updated Health curriculum for 5-8

I am very blessed to represent the students and staff of Most Holy Redeemer Catholic School for my seventh year. I look forward to continuing to partner with you in the 2021-2022 academic year.

YOU ARE A BLESSING!

Sincerely,

George J. Vondracek, MHRS Principal

Most Holy Redeemer Tuition Policies

Why Tuition? Tuition is critical to our school as mentioned before, the actual cost of educating a child at MHR is considerably more than what is listed for an academic year. Thanks to parish support and school fundraisers, we can offer tuition to our families at a reduced rate.

Registration Fee: A \$50.00 per student, non-refundable registration fee must be submitted with your child's registration to ensure their spot for the new academic year.

Payment Method: HRS Advisory Board has made the decision to use TADS (Tuition-Aid Data Services) to help with school billing. TADS is a tuition management system that is tied in with the TADS Educate account you are able to use to view your child's grades, homework assignments, etc. TADS helps the school streamline the tuition process and allows you, the parent, the ability to see your account information online. You will be required to make your payments to HRS online through TADS. Within the agreement you will find your fees itemized as well as credit that you receive. The majority of the school fees are covered in the tuition cost. There may be additional fees throughout the year as they come up. (i.e. field trips, sports fees, yearbook, etc.) The link to TADS is www.mytads.com, you will need to complete the online enrollment process. When you open the website, it should take you to the TADS "login" page. If you have any trouble, you may contact the school at 507-364-7383 or the TADS Parent Help Line at 800-477-8237. (The TADS Management system is also lunch & snack fees as well as a site where parents can monitor student academic records).

Tuition Assistance:(see below)

Early Discount Tuition Payment: If a full tuition payment is made by August 15, 2021, parents will receive 3% off of their tuition. This is for grades K-8.

I/We agree to pay Holy Redeemer School the amount of: \$ _____ for the academic year 2021-2022
for our child/ren: (_____, _____, _____, _____).

We request tuition assistance. Please send us an application for financial assistance toward our tuition. We will also need the free and reduced lunch assistance form.

(To be considered for assistance, all forms must be in by August 1, 2021)

The non-refundable \$50.00 fee (NOT applicable toward tuition) per student accompanies the registration forms.
