Week of April 23, 2018

Dear Families,

I was sure impressed with how the kiddos did at their first ever Mass!! They sure did an amazing job. We had several compliments. I think we impressed a lot of people. It was a lot of work but it sure paid off. Thank you so much for practicing so much with your child at home.

I am happy to say that I think Spring has finally arrived☺ What a beautiful weekend we had and looks like we will have a nice week as well! Yay!! We will send the snow stuff home once all the snow melts.

Today we will celebrate Earth Day! We will learn what Earth Day is and how we can help out the Earth. We will make a cute Earth Day craft and hang it up in the hall/classroom once it dries☺

Next Thursday already, we will be heading to Como Zoo. We are asking that the kiddos wear uniform bottoms and their class shirts. It's been a while since we have had to wear our orange shirts so I hope everyone knows where theirs is. We will also need them for Track and Field Day. Please pack a bag lunch for your child to enjoy while we are at the zoo.

This Friday the Student Council will be hosting the movie Wonder! All are invited! The movie and treats in a bundle package are \$3. The money will go towards a start-up fund for the Student Council. If you would like your child to attend the movie please let me know.

Being Spring has arrived we will for sure have our Kindergarten Graduation on Thursday May 24th at 1:45. You won't want to miss it. It will be held in the cafeteria and there will be plenty of seating so feel free to invite those special people.

Have a wonderful week!

HAPPY BIRTHDAY TO IZZI!!!!!!
