

Mrs. Halligan's Weekly Newsletter

Week of April 30, 2018

Dear Families,

Woo hoo!!! It's almost field trip time☺ I LOVE the Como Zoo! I am hoping we have a nice day and no rain. On Thursday please have your child wear their orange class shirt and uniform bottoms! They will also need a lunch from home.

Today, in Superkids we were introduced to the letter Jj. The class is estactic as we only have 3 more letters to learn before we learned the ENTIRE alphabet with the superkids! Ettabetta is the supernoodle. Ask your child what Ettabetta plans to do with the superkids.

In math we are busy learning about teen numbers, partners of ten, and writing our numbers in the correct order. Today in math the kiddos made a teen book. Check it out; it's in their folders☺

We started our unit in Social Studies titled Stories of the Past. Today we learned all about George Washington and how life was different back then compared to now. You can tell I work with kindergarten as I refer to life as "back then". I guess it's better than the olden days lol. We talked about how George Washington is a founding Father and how his face is on the quarter and \$1 bills. We also made cute little George Washington's. They will be displayed in the classroom.

Throughout the week we will talk about American Holidays and what a timeline is and how to use one.

This Friday is the Crowning of Mary. We are asking the kindergarten students to dress their best. If you would like you can send a change of clothes or they are welcome to stay in their dress clothes as well. You are more than welcome to join us for Mass. After we crown Mary your child can sit with you.

As always if you have any questions feel free to send me an email!
