A Job Well Done!

HRS had 5 students, Allison Rynda, Dakota Meadows, Arthur Devine, Edward Devine & Joey Callahan, who participated in the Big Bang Science Fair this past weekend at Totino-Grace High School. It was a great experience and lots of fun! Students presented their projects to 3 judges and then had the rest of the time to see the different activities: Bakken Museum theater performance, play ball with a robot, hear a presentation on coding, and see "Dr. Fun" put on a show of fun science experiments!

Heart Walk

HRS will hold its annual Heart Walk on Wednesday, April 10 (weather permitting). Students and staff will walk the school's Mileage Club route from 11:40 a.m. - 12:10 p.m. during an extended noon recess. Parents, grandparents and interested community members are invited to put on their walking shoes and join HRS.

Opportunity Scholarships - Help is Needed

Opportunity For All Kids (OAK) has great news to share - [Opportunity Scholarship legislation](#) has been introduced in the Minnesota House of Representatives and the Minnesota Senate! This legislation will provide families with access to better schools and ensure we have educational freedom in Minnesota.

Did you know that over 20 states provide Opportunity Scholarships to families and students? Let's make Minnesota the next state to help more children attend the school that is best for them!

Please make sure that Governor Walz & your legislators know that you support Opportunity Scholarships for our kids! It only takes a few minutes to contact your legislators and it will make a positive difference in the lives of our children. [This link](#) will take parents and stakeholders to a page that summarizes where the legislation is in the process and how we can make our voices heard.

As always, please feel free to email or call me with any thoughts or concerns. Thank you -Mr. Vondracek, Principal - gvondracek@mosthrs.org
