MHRS Catholic Schools Week

The MHRS community is looking forward to two events within the next two weeks. First, we have Catholic Schools Week, which runs from Sunday, Jan. 30, through Friday, Feb. 4. Then, of course, we have the 2022 Hibernation Celebration on Saturday, Feb. 5. Catholic Schools Week offers us an opportunity to celebrate our school's mission of educating the whole child, and the Hibernation Celebration provides us with the chance to support that all-important work.

"Catholic Schools: Faith-Excellence-Service" is the national theme for next week's celebration, a theme that characterizes our efforts on the local level at Most Holy

Redeemer School. In fact, a key passage in the MHRS Mission Statement emphasizes that all of us – "teachers, staff, students, and families" – are "focused on developing young leaders, creating closer relationships with God, learning from each other, and serving as the hands and feet of Christ." On a daily basis, we are mindful of our mission as we share knowledge and skills with our students, as we work to direct them toward wisdom, and as we do our part to pass on the faith. A Catholic education is a beautiful gift to give to the children in our lives and is indeed worth celebrating!

"Catholic education aims not only to communicate facts, but also to transmit a coherent, comprehensive vision of life."
-- St. John Paul II

Open Gym at MHRS

MHRS is investigating whether or not to offer an "open gym" for the families of the school. If there is enough interest, this might be an opportunity the school could offer. If you are interested, please do the survey at the following link:

As always, please feel free to email or call me with any thoughts or concerns.
