

5/6 Team News
(January 24-28)

Message from Mrs. Rynda

We have a busy couple of weeks coming up! This week we will focus on wrapping up several units and then taking unit tests. We will also be doing NWEA testing in language arts, math and science this week.

Next week will be Catholic Schools Week. We have a lot of fun dress up days and activities. Please see attached sheet for more details!

Mini courses are coming soon! As we finalize our plans, (just a reminder for students and letting parents know) student will only be allowed to participate in mini-courses if all their work is in and they are passing their classes at that point in the third quarter. More details to come!

Special upcoming events...
