

# Most Holy Redeemer CATHOLIC SCHOOL

September 07, 2022  
Issue # 1

### Principal letter

I just want to start out with a huge thank you to all who have made the transition from Mr. Vondracek to myself as smooth as possible. Most Holy Redeemer feels like home to me already. We have an All School theme this year: ***We are all pencils in the loving hand of God.*** I want all the students, families, and staff to remember each day that God is with us and helping guide us. Please join us with this thought this school year. During our open house last week, it was wonderful to meet many families that I have not met and to connect and check in with families who I have already met. It is good having the school active with the sound of little footsteps and young voices.

God Bless You  
- Mrs. Kari Marsh

### Our Friends in Heaven, Pray for Us

St. Peter Claver's feast day is September 9. He was born in 1580 in Spain. He took his vows as a Jesuit in 1604 and dedicated his life to the Negro Slaves where he provided food for those who recently arrived and cared for the sick and dying. He served them and administered the sacraments for 33 years. He died in 1654 and is the Patron Saint of Negro Missions.
