Issue # 3

We are only a few weeks away from Marathon! The students are working hard earning pledges and we have an opportunity for students to earn pledges. Students will need to sign-up for a 30-minute shift to sit at the school table at the Fall Festival this Sunday and if they wear their school uniform, they will earn an out-of-uniform pass to be used in October. We are hoping to reach our goal of \$25,000. On Friday this week, students who have joined the \$100 Club will have the chance to "Spin the Wheel!"

Our Friends in Heaven, Pray for Us
Saint Padre Pio was born in 1887 in Italy to peasant farmers. He was very religious as a child and it's been reported at the age of five, he dedicated his life to God. He was able to see guardian angels and spoke to Jesus and the Virgin Mary and thought that all people had this ability. He had many health issues in his life but he always continued his work in the Church. He is known to advise "Pray, hope and don't worry." His feast day is September 23 and he is the patron saint of civil defense volunteers and adolescents.

Chargers for Chromebooks

If your middle school child would like to bring their device home, we require that an appropriate charger is used so that there is no damage to the Chromebook. You may purchase one of these chargers through the school for \$15. Please send your payment and your child's name to the office by September 29 so that we can place an order.
