Issue #11

I hope that you and your family had a blessed Thanksgiving together. I am looking forward to participating in my first Torchlight Parade; I have heard it is amazing!
As a school family this Advent season, we will be joining all together each week to gather in prayer around the Advent Wreath to prepare for the birth of our Lord Jesus Christ. You may want to start a tradition for your family for Advent if you do not already have one, such as creating a Jesse Tree or Advent wreath.

God Bless-
Mrs. Kari Marsh

Our Friends in Heaven, Pray for Us

St. Eligius was born around 590 in France. He was a skilled metalsmith and appointed master of the mint under King Clotaire II of Paris and they developed a close friendship. His master skills became widely known and with this, fame. He was very generous to the poor and built many churches. He was even able to ransom many slaves. Later in life, he chose to serve God and became a priest and eventually a bishop. He made several converts in his lifetime. His feast day is December 1 and he is the patron saint of metalworkers.

Advent Week 1
"HOPE"

The first candle is purple, the primary color of Advent and a color symbolizing royalty. Sometimes called the "Prophecy Candle," the first candle harkens us back to Isaiah's foretelling of the birth of Christ and all of the promises God gave us in the Old Testament that would be fulfilled by the birth of Jesus. - *hallow.com*
