

**MHRS Community Service Project -
Le Sueur County
Santa Anonymous 2023**

Thank you to MHRS for participating in the Le Sueur County Santa Anonymous program this year as a Community Service project. Special thanks to homeroom teachers Noelle Kalina and Deb Trcka for shopping for their students; parents Jamie Kriha, shopping for Gr. $\frac{3}{4}$ & $\frac{5}{6}$, & Ashley Segna, shopping for Gr. $\frac{7}{8}$; and Christine Trcka for choosing a family. They shopped for 9 families/17 children, all purchasing fantastic toys. Thank you to the teachers and families who donated money for the toy purchases. There will be some very happy children this Christmas.

I am truly grateful for the assistance MHRS provided. Montgomery was responsible for the purchase of toys for a total of 32 families/92 children (ranging from 1 month to 18 years of age) this Christmas season. You made my shopping easier.
